

Presentation primer

By me, Steve Clement

Be on time

- Or rather before time
- Start on time

Know the Venue

- From the Technical to the road blocks

If you Demo....

- TEST your demo

If you fail your Demo...

- Tough shit, better test it next time
- Apologize and do not Bullshit about it, yes we all know it worked in the Lab...

Value your audience

- Compliment them at the beginning
- Show them that you are excited that they showed up
- Show them that you are still happy that they stayed till' the end

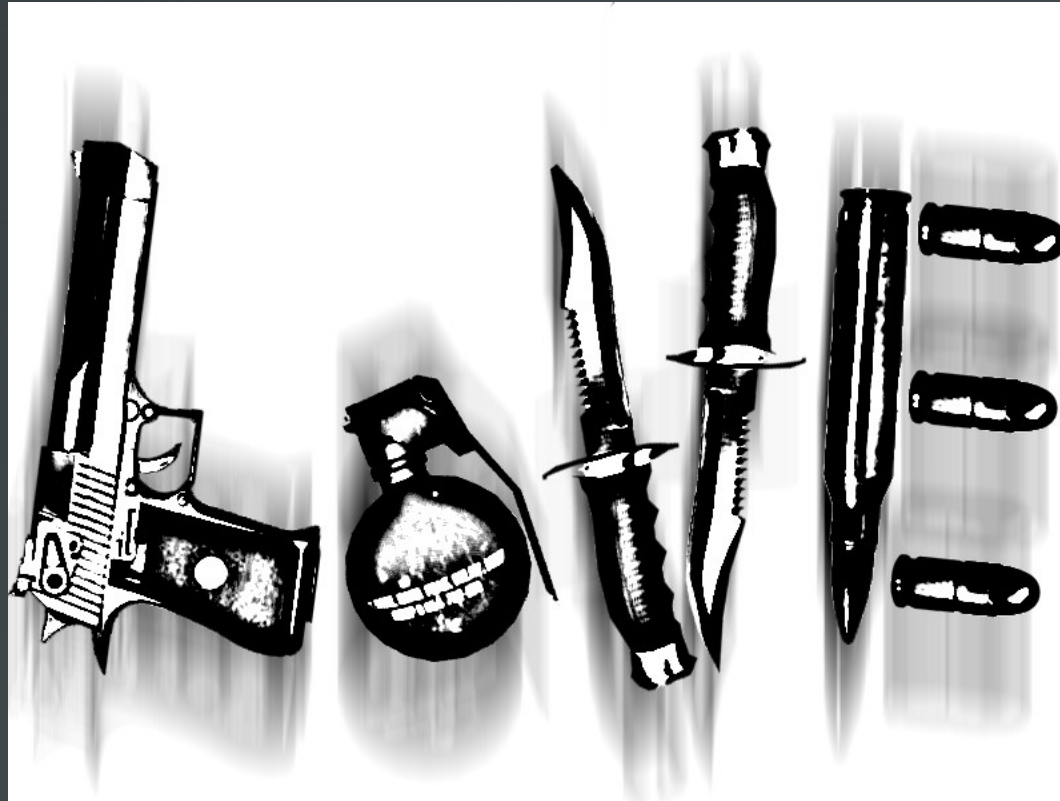

Quickly Brief your Audience

- Rules of the game
- Time used (<20)
- Tech/Knowledge level needed
- Put a time constraint from the beginning

Where's the <3?

Where's the Love?

- And most of all, the Passion?

Distinguish yourself from the rest

- With a set of "special" slides and conviction

Mine in the Beginning

Mine at the End

Be calm, Know your stuff

Be Confident

Body Language

- With a set of "special" slides...

Keep

The

Text

On

The

Slides

To

A

Minimum

;))

Use Pix instead

- Debatable

Let's Face it

- PowerPoint are like mega interesting and important meetings.....

Let's Face it

- PowerPoint are like mega interesting and important meetings.....

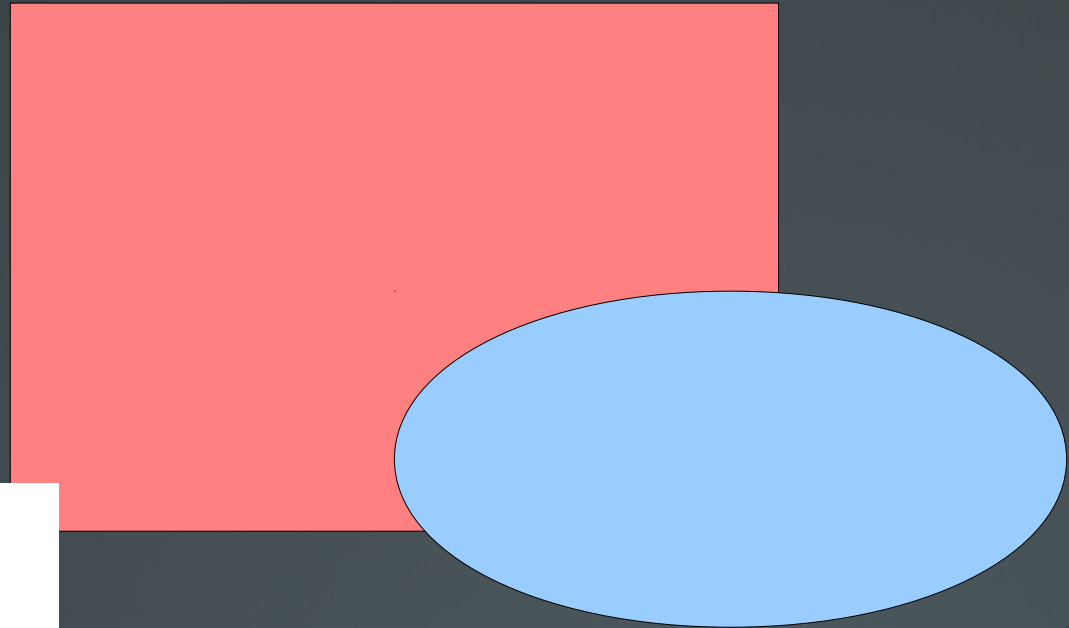

Unnecessary BUT...

Unified Designs are Key

- Beauty
- Style
- *Design*
- Bazinga...

Interact with your Audience

Bullshit Bingo

Get to know your audience

- Suits?
- Pens?
- Notebook?
- iPad?
- Bored?

YOU are the Presentation

Sleep

SPeaKING

- Gym for the tongue
- Pause for thought
- Fill the Room

Eye...

- to eye, with everyone

The Killers

- Ehhhhhhhhhhh.....
- Reading Slides OR Notes
- Funny Jokes or Sex Jokes != Humour

Rehearsals

- Aloud, Target Language

Dealing with Fuckups

- ALL can be salvaged

Becoming the ULTIMATE presenter...

- Wide and Bright

Pick a topic

- Peanuts
- Trains
- Bananas
- Nuclear Fission
- Kamumberas

Stuff I forgot, cuz I woz l8 ;)

- Summary
- SlowDown
- BuyTime
- Water
- Apology Accepted

Things you can ask me later

- Why is your Hat so cool?
- Do you do drugs?
- No serisously, Mushroom?
